

MATĚJ LEHER

GRAPHIC DESIGNER

MY WORK EXPERIENCE

AIESEC PRAGUE

2020 – present

I was working on creating promotional materials for online events and I was also responsible for promoting it on social media.

I was promoted to position of marketing manager. In August and September I was part of a team creating bigger online event for University of Economics and I created logo and all promotional materials. I also did few presentations and sessions about marketing and design.

AMNESTY INTERNATIONAL IN CHOTĚBOŘ

2015-2018

I was member of Amnesty International club in Gymnázium Chotěboř and it was my extracurricular activity in highschool. We were preparing some events for local people and students. I was part of organization team and created posters for them, and I also had few presentations myself.
